

## Product specification sheet on energy consumption

### Premium V-2R-80h 16,8 kW Ø 200

The following product data are compliant with the requirements of EU regulation no. 1185/2015 for the execution of directive 2009/125/EC and no. 1186/2015 and as amendment of directive 2010/30/EC.

Technical data	Icon	Unit	Premium V-2R-80h 16,8 kW Ø 200
Energy efficiency class			A
Nominal output	EEI		106.0
Nominal output	$P_{nom}$	kW	16.8
Direct output		kW	16.8
Indirect output		kW	0.0
Thermal efficiency at nominal output	$\eta_{th,nom}$	%	80.0
Use of auxiliary current at nominal output	$el_{max}$	kW	0.0
Use of auxiliary current at minimum output	$el_{min}$	kW	0.0
Use of auxiliary current in stand-by mode	$el_{SB}$	kW	0.0
Type of output / control of room temperature	<b>Uncontrolled room temperature / single-level</b>		
Preferred combustible	<b>Moisture content of split logs <math>\leq</math> 25%</b>		
Raumheizung-Jahresnutzungsgrad (bevorzugter Brennstoff)	$\eta_S$	%	80.0
