

# Scandic

230V/50Hz | 10 Watt

Experience Better Living

Freestanding

A well balanced oval geometry characterizes the Scandic, with a design that was inspired on an original Swedish stove. A log compartment is inside to enhance its looks, as well as a storage shelf on top, to personalize it to your interior style. Thanks to its electric Optiflame® fire the Scandic is extremely simple to install and can be enjoyed all year round.

- Modern Scandinavian styled fireplace with log storage compartment
- Oval shape with white tile look alike on the side
- Storage compartment on top for decoration
- Rotary thermostat for temperature control
- The unique charm of the fireplace can be enjoyed 365 days a year using the flames without the heat

- 

One-sided decorative fireplace.
- 

Flames rising over a highly realistic glowing fire bed.
- 

Optiflame technology, soothing flames with a lit glow bed.
- 

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.
- 

Powerful fan-assisted heating by safe element that provides additional heating on demand.
- 

Control all functions of the fireplace from the comfort of your chair.
- 

Fireplace can also be operated via button display on the fireplace.
- 

Easy to connect to a standard socket for instant atmosphere.
