

Stockbridge

230V/50Hz | 200 Watt

Experience Better Living

A timeless combination in itself: a traditionally shaped and robust freestanding fireplace which offers you all the benefits of a modern electric fire. Stare into the playful 3-dimensional flames of the Optimyst® fire and feel the cosy warmth from its built in electric heater.

- Authentic look of cast iron stove with a metal housing
- Decorative glass doors that can be opened
- Metal sheet mirror back panel for a more intensive flame picture
- Rotary thermostat for temperature control

-  One-sided decorative fireplace
-  Surprising by the floating flame and smoke effect and variable flame intensity
-  Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat
-  Optimyst flame technology, flame patterns by cold water vapour
-  Powerful fan-assisted heating by safe element that provides additional heating on demand
-  Control all functions of the fireplace from the comfort of your chair
-  Fireplace can also be operated via button display on the fireplace
-  Easy to connect to a standard socket for instant atmosphere
